

Dear Parents

June 2026

As we reach the end of another successful term, we would like to take a moment to reflect on the wonderful achievements of our learners.

At our end-of-term Awards assembly we celebrated with our learners who most improved academically, creatively, in ball skills and in performing arts.

We are truly grateful for the support you gave towards our Term 2 fundraisers. Your generosity made all the difference, and we could not have achieved this without you. We raised a profit of R8791.29 for Grade R & 1 Market Day, and R5709.78 for our educational travelling bee fundraiser.

In preparations for the 2027 school year, we have begun screenings for new admissions. If you know any family or friends who may be interested in joining our school, we kindly ask you to share our admissions advert on Facebook and WhatsApp. Your support in spreading the word is invaluable in welcoming new learners into our school.

Reports will be enclosed with this envelope. Please discuss the report with your child and set achievable goals for the rest of the year. Please be positive!

Thank you to our parents who diligently pay their school fees. Please keep on paying your fees. If you don't pay school fees, the school will suffer and your children will have to do without the things you have come to expect of our school.

My sincere gratitude goes to our Staff, both teaching and non-teaching for the resilience and great work they have done in supporting our learners.

Do have a very good rest and rejuvenating holiday!

May God bless and take care.

Kind regards.
Ms. M. Haupt
Principal
